## BUS SAFETY RULES

All Safety Rules must be honored. National, State, County, School District and Bus Driver safety rules are designed for the safety of all riders and must be obeyed.

1. **Classroom Conduct**

Students are expected to give bus drivers the same high level of respect and obedience that they give to their teachers. All school rules of conduct apply on the school bus. Any language and behavior prohibited at school is prohibited on the school bus. Any objects or materials prohibited at school are prohibited on the bus.

2. **Sit in your seat and stay within your “compartment or box.”**

Students must sit facing forward and stay in their seats until the bus stops. Students may never lower the window below the line and may never put heads, hands, or objects outside the window.

3. **Talk Softly to your neighbor.**

Students must talk quietly, using only their regular classroom voices. Remember loud voices and profanity can distract the driver and create a dangerous situation.

4. **Keep hands and feet to yourself and out of aisle.**

Students must be careful not to bother other students. Students may never block the driver's view through the bus by having feet and arms in the aisle.

5. **Never throw anything on the bus.**

Students may never create a dangerous situation by throwing anything inside a bus, or by throwing anything on, at or out of a bus.

6. **Always observe and follow the driver's “Thumbs Up” signal.**

Bus stop conduct is extremely important. Remember all school rules of behavior apply at bus stops. All riders must line up to board the bus. Never approach the bus from the rear to load. When departing the bus, students may not cross the road until receiving the “thumbs up” signal from the driver

7. **Students must get off at their designated stop.**

Students must ride their assigned bus. NO EXCEPTIONS! Students also must get off at their designated stop, unless a parent or guardian contacts Pinks' Bus Service, Inc. (309)944-6417, in advance.

<p><b>NEVER</b> touch or tamper with any safety device on a school bus unless instructed by your driver. (i.e. crossing arms, emergency doors &amp; latches, fire extinguishers)</p>
