The menu on the left-hand side has clickable areas that parents can view.

Click My Account to change settings.

The Calendar shows assignments and upcoming events.

Click the down arrow to set which messages you will view on your Wall.

The Wall has messages sent from teachers, admins or coaches.

Once you click My Account, the screen below will open. Here you can update your personal information, change your password or login and set your email notifications. Parents have options to receive Grading Emails, Progress Report Emails and Food Service Balance Emails. At the bottom, you also have the option to Hide Students. Do NOT check these unless you do not want one of your student's information to show in Family Access.

# SKYLERT

Skylert allows parents to update their School Messenger notification choices in Skyward Family Access.  
There are 5 types of notifications in School Messenger.

1. Emergency – Sends out Emergency notifications only (severe weather during the school day, active intruder, etc.)
2. Attendance – Contacts parents when their child is absent and the school was not notified
3. General – All other types of notifications including school closings, newsletters, and testing information
4. Food Service – Contacts parents when their child's food service account is below a certain amount
5. Surveys – Sends surveys for parents to complete

Each parent has their own Family Access account and must update their notification choices through their individual account.  
If you do not know your login information, contact Nitzy Bull at [ibull@geneseoschools.org](mailto:ibull@geneseoschools.org).

Once logged in to Family Access, click Skylert on the left hand side. Then select or unselect the notifications you would like to receive for each phone number and email listed. Contact information cannot be updated through this screen. You must still update contact information through My Account in the top right.

If you are interested in receiving text messages you need to text "Yes" to 67587 in addition to selecting the notification types on this screen.

Remember to Save your choices. School Messenger will update in an overnight process.

Skylert enables you to receive notifications concerning your child(ren). You have control over which notifications to receive and how you would like to receive them.
