

Medical Requirements 2021-2022

Kindergarten

- **School Physical** - You must have the student's up to date immunizations, medical health history completed and signed by a parent, and the physical exam signed and dated by the primary care provider (Physician, APN,PA). The physical has to have been completed within one year prior to the start of school.
- **Lead Screening** - Lead screening is required for your child one time prior to entering kindergarten. The doctor or nurse must sign the Lead Risk Assessment questionnaire.
- **Dental Exam** - The examination must be performed by a licensed dentist within 18 months prior to May 15 of the school year.
- **Vision Exam** - Required eye examination shall be completed within one year prior to the first day of school year in which the child enters kindergarten. The vision exam must be completed by an ophthalmologist or an optometrist.

2nd Grade

- **Dental Exam** - The examination must be performed by a licensed dentist within 18 months prior to May 15 of the school year.

6th Grade

- **School Physical** - You must have the student's up to date immunizations, medical health history completed and signed by a parent, and the physical exam signed and dated by the primary care provider (Physician, APN,PA). The physical has to have been completed within one year prior to the start of school.
- **Dental exam** - The examination must be performed by a licensed dentist within 18 months prior to May 15 of the school year.
- **Immunizations** - All students entering the sixth grade will be required to show proof of receiving one dose of each vaccine: meningococcal conjugate vaccination (MCV) and Tdap vaccine. They will be required to show proof of having received one dose of each vaccine on or after 11 years of age.

9th Grade

- **School Physical** - You must have the student's up to date immunizations, medical health history completed and signed by a parent, and the physical exam signed and dated by the primary care provider (Physician, APN,PA). The physical has to have been completed within one year prior to the start of school.
- **Dental exam** - The examination must be performed by a licensed dentist within 18 months prior to May 15 of the school year.

12th Grade

- **Immunizations** - All students entering 12th grade will be required to show proof of receiving two doses of meningococcal conjugate vaccination (MCV) unless the first dose was administered after 16 years of age. In this case, only one dose after 16 years of age is required.

All Transfer students attending an Illinois school for the first time - In addition to the grade level requirements above, the following are required:

- **School Physical** - A school physical is required regardless of grade level when entering for the first time to an Illinois school.
- **Vision Exam** - All out of state transfer students entering an Illinois school for the first time must have a vision exam. The vision exam must be completed by an ophthalmologist or an optometrist within 1 year of the transfer into the Illinois school.
- **Immunizations** - All immunizations, including updates, should be complete per Illinois grade level requirements.
